

**IBMR Congratulates all its participant for attending this program**

**Successful Conclusion of Business Intelligence & Data Analytics Training Program organized by Institute of Business Management and Research in collaboration with Ecofundomics llp,the first phase**

We are proud to announce the successful conclusion of the 30-Hour Business Intelligence & Data Analytics Software Training Program on 25th April 2026 for the MBA Final Semester Students of Institute of Business Management & Research, conducted in collaboration with Ecofundomics LLP.

The program provided hands-on learning and practical exposure in:

- ✓ Excel (Basic & Advanced)
- ✓ Business Accounting
- ✓ AI Tools
- ✓ Power BI & Data Visualization

Throughout the training, students developed valuable analytical and decision-making skills essential for today's competitive corporate environment.

We sincerely thank our trainers, faculty members, and enthusiastic students for making this program a grand success. We are confident that the knowledge gained will help participants excel in their professional careers.

Congratulations to all participants on successfully completing the program!
